On behalf of Mr. Dulles, may I reply to your letter of September 20.

We have contacted the Foreign Claims Settlement Commission and find that they have received your claim to which they have assigned the number [redacted]. Your letter has been forwarded to the Commission and it is my understanding that they will write to you concerning it.

Your letter refers to some affairs and correspondence which your Grandfather had with the State Department. A check of the records of that Department failed to produce any correspondence on this matter with your Grandfather.

As to your request for recommendations on this, the only suggestion I can offer is that you might seek the advice of an attorney in your locality as to the possibility and propriety of taking further action.

Sincerely,

Signed
